Project:

*Athletic & Event Center
Romeoville, IL*

Client:

*Village of Romeoville
Steve Gulden, Village Administrator
Tel: (815) 886-5778*

Contract:

Construction Management

Harbour Contractors, Inc. was selected as the Construction Manager for the much-anticipated Romeoville Athletic & Event Center. The facility is a 70,000 SF community center that includes open space design to house indoor baseball, football, lacrosse, soccer, volleyball, and basketball as well as classroom space, five multipurpose rooms, two changing rooms, and concession areas. The space is also flexible to accommodate events such as home or boat shows or seasonal festivals.

This project was financed through Construct Leaseback wherein the Village paid to build the center and own it, but will lease it back to Harbour Contractors which will rent it out for indoor sports activities.

This project was awarded the Outstanding Facility and Park award for the Illinois Park & Recreation Association for exceptional and unique achievements in design and development.
