

DuPage Airport Executive Hangar

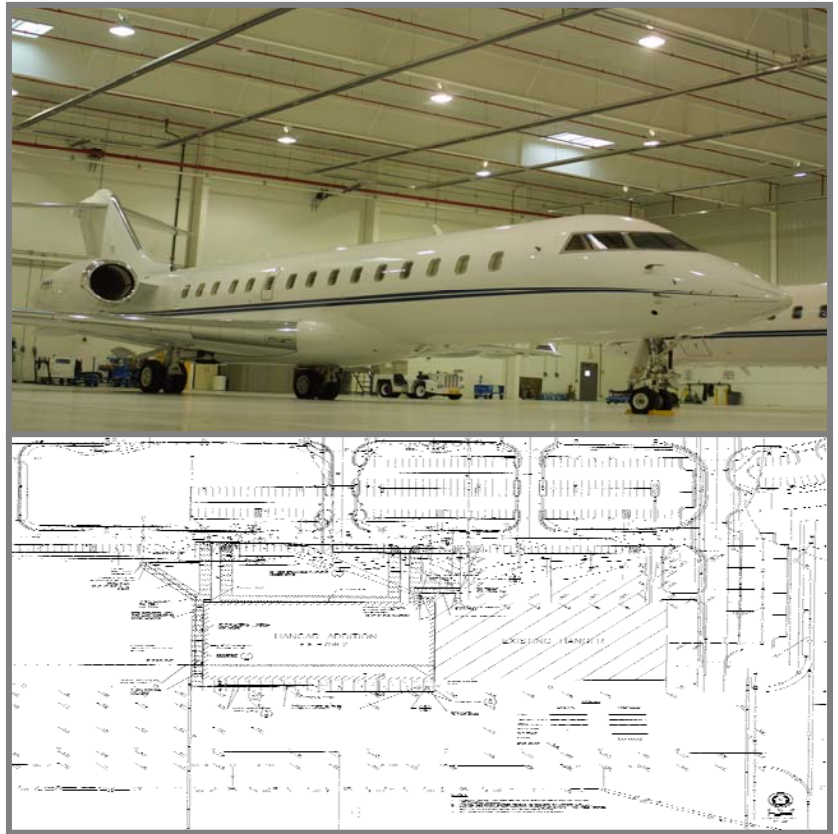

PROJECT OVERVIEW

Project:
*DuPage Airport
Executive Jet Hangar
West Chicago, IL*

Client:
DuPage Airport Authority

Contract:
Design / Build

Harbour Contractors, Inc. served as the Design / Builder for the 48,000 SF Executive Hangar for the Du Page Airport Authority.

The Executive Hangar is an addition to match the existing hangar facility in quality and aesthetics. This was an important project for the County and had a fast-tracked schedule.

Harbour delivered the Executive Hangar on budget and before schedule.
