

Burr Ridge Police Station

PROJECT OVERVIEW

Project:

*Burr Ridge Police Station
Burr Ridge, Illinois*

Client:

*Village of Burr Ridge
7660 S. County Line Rd.
Burr Ridge, Illinois, 60627
Mayor Gary Grasso
Tel: (630) 654-8181*

Construction Cost:

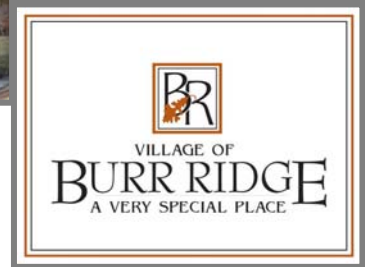

\$ 5.1 Million

Contract:

General Contractor

Completion:

2008 - Current

Harbour was selected as the General Contractor for the new Burr Ridge Police Station, which will replace the existing police station located at 7660 S. County Line Rd. The current station is home to Village Administration and the Police Department and no longer has adequate space or amenities to serve both entities. The new station will consist of a one story 19,000 square foot masonry building with cedar accents. The project is designed to accommodate all staff members over three shifts and will contain male/female locker rooms, roll call room, sally-port, holding cells, interview rooms, evidence areas, training room, administrative and general offices and a communications tower.

Services Provided Included:

Construction Inspection
Survey & Layout
Material Inspection
