General Contractor

Completion:

Current

Harbour was the low bidder and was selected as the General Contractor for the new Morris Municipal Services Facility. The new facility includes a sally port, processing room, 3 interview rooms, and 5 holding cells to service the Morris Police Department.

This facility is also home to city administration, the mayor's office, the Council Room and the Council Chamber.

Harbour anticipates completing the facility May 7, 2010.

Services Provided Included:

Construction Inspection
Survey & Layout
Material Inspection

Project Management & Cost Controls
Project Documentation
Site Planning & Public Agency Coordination
